## MEMORANDUM

August 2022

Dear Parent/Guardian:

The Healthy Schools Act of 2000 (established by AB 2260) requires that all California school districts to notify parents and guardians of pesticides expected to be applied during the year.

The following are scheduled dates of application at Preuss School:

- **Winter 2022 (December -- During Winter Break)**
- **Spring 2023 (March --- During Spring Break)**
- **Summer 2023 (June --- During Summer Break)**

Also attached for your reference is a list of possible pesticides, along with respective active ingredient/s for each of the pesticides that may be used.

Should you have any questions, please contact Karin Marsolais at 858-822-0414.

Thank you.
